As part of the Technical Centre team, you will review drawings against Class and Statutory regulations, review and validate drawings of marine constructions and equipment within the limits of the applicable Rules and Regulations, and you will provide technical support to clients.

The internship will be from mid June to mid August 2022.

### ***Education and Qualification Requirements:***

You are a 4<sup>th</sup> year student in Naval Architecture and you speak English and Norwegian fluently.

### ***Personal characteristics:***

- Systematic
- Solution oriented
- Committed
- Good communication skills
- Able to work independently and in a team

### ***We Offer***

- A challenging summer internship in a busy international marine environment during which you will learn a lot
- The opportunity to get to know Bureau Veritas
- Great team and professional colleagues

### ***About us***

Bureau Veritas is an international group within classification, certification and verification. Bureau Veritas was founded in 1828 with headquarters in Paris and offices in more than 150 countries. We have a total of more than 77 000 employees. In Norway, Bureau Veritas administration is centrally located in Oslo with the Oil & Gas office in Stavanger. We have surveyor stations in Oslo, Kristiansand, Stavanger, Haugesund, Bergen, Molde, Ålesund and Trondheim.

Bureau Veritas in Norway has about 30 employees.

Marine & Offshore division's activities are mainly focused on ship classification, certification of equipment and systems, as well as verification and inspections of offshore installations and equipment.

### ***What we value at BV***

We serve as guardians of integrity, upholding the highest standards responsibly. We create trust between businesses and those they serve, demonstrating the ambition to work hard and the humility to learn and grow. We cultivate an open and inclusive environment wherever we operate. And ethics, safety and financial control serve as the foundation for our shared culture. Being part of the BV family, is more than just working, it's being convinced that you will

***leave your mark... in shaping a world of trust.***
